INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of FIFE House Foundation Inc.

Qualified Opinion

We have audited the financial statements of FIFE House Foundation Inc., (the Entity), which comprise:

- the statement of financial position as at March 31, 2024
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the "***Basis for Qualified Opinion***" section of our auditor's report, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with the financial reporting provisions of the Ministry of Health Directive #98-02 with respect to government-funded property.

Basis for Qualified Opinion

In common with many charitable organizations, the Entity derives revenue from development, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Entity.

Therefore, we were not able to determine whether any adjustments might be necessary to:

- the current assets reported in the statements of financial position as at March 31, 2024 and March 31, 2023;
- the development revenues and excess (deficiency) of revenue over expenses reported in the statements of operations for the years ended March 31, 2024 and March 31, 2023;

KPMG LLP, an Ontario limited liability partnership and member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. KPMG Canada provides services to KPMG LLP.

- the net assets, at the beginning and the end of the year, reported in the statements of changes in net assets for the years ended March 31, 2024 and March 31, 2023;
- the excess (deficiency) of revenue over expenses reported in the statements of cash flows for the years ended March 31, 2024 and March 31, 2023.

Our opinion on the financial statements for the year ended March 31, 2023 was qualified accordingly because of the possible effects on this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Financial Reporting Framework

We draw attention Note 1(a) in the financial statements, which describes the applicable reporting framework and the purpose of the financial statements.

As a result, the financial statements may not be suitable for another purpose.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of the Ministry of Health Directive #98-02 with respect to government-funded property, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

  The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

FIFE HOUSE FOUNDATION INC.

Notes to Financial Statements

Year ended March 31, 2024

FIFE House Foundation Inc. (the "Entity") was incorporated in 1988 under the Corporations Act (Ontario) as a not-for-profit organization without share capital. Its purpose is to provide supportive housing and supportive housing services for persons living with HIV/AIDS in the City of Toronto.

The Entity is a registered charitable organization within the meaning of the Income Tax Act (Canada) and is exempt from income taxes.

1. Significant accounting policies:

(a) Basis of presentation:

These financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CPA Canada Handbook, except for the government-funded property, for which the Entity is required to apply accounting policies that comply with the Ministry of Health Directive #98-02 (the "Directive") as follows:

(i) the land and building for which there is a government-based mortgage is amortized according to the sinking fund method as prescribed by the Directive. Under this policy, the cost of the land and building are amortized over the term of the mortgage secured to finance the asset and the annual charges for amortization are equal to the annual principal repayments on this mortgage;

(ii) capital assets purchased after initial project construction, being funded from the capital/replacement reserve fund, are reported as a reduction in the capital replacement reserve fund rather than being capitalized on the statement of financial position and amortized over their estimated useful lives through the statement of operations; and

(iii) transfers to the capital/replacement reserve fund are reported as revenue and expenses in the statement of operations, rather than as an interfund transfer in the statement of changes in net assets.

(b) Revenue recognition:

The Entity follows the deferral method of accounting for contributions, which includes donations and government grants.

Operating grants are recorded as revenue in the year to which they relate. Grants approved but not received at the end of an accounting year are accrued. Where a portion of a grant relates to a future year, it is deferred and recognized in the subsequent year.

1. Significant accounting policies (continued):

(b) Revenue recognition (continued):

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets.

Endowment contributions are recognized as direct increases in endowment net assets.

(c) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expenses. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Entity's ability to provide services, its carrying amount is written down to its residual value.

Amortization of the land and building is equal to the annual mortgage amortization amount required to repay the principal amount of the mortgage.

Amortization of other assets is provided on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Rate
Office equipment	5 years
Computer hardware and software	3 years
Furniture and fixtures	5 years
Leasehold improvements	10 years

1. Significant accounting policies (continued):

(d) Financial instruments:

Financial instruments are recorded at fair value upon initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Entity has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Entity determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount of Entity expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(e) Contributed materials and services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty in determining the fair value, contributed services, including those of volunteers, are not recognized in the financial statements. Contributed materials are recognized in the financial statements when a fair value can be reasonably estimated.

(f) Foreign currency translation:

Monetary assets and liabilities are translated at the prevailing rates of exchange at the balance sheet date. Revenue and expenses are translated at the average exchange rates for the year. Realized and unrealized exchange gains and losses are included in unrealized gain (loss) on investments and gain (loss) on disposal of investments in other income in the statement of operations.

1. Significant accounting policies (continued):

(g) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

2. Cash:

The Entity has a line of credit in the amount of $200,000, which bears interest at bank prime, is secured by a general security agreement and is due on demand.

As at March 31, 2024, the line of credit has not been utilized.

3. Short-term investments:

	2024		2023	
	Cost	Market	Cost	Market
Social Housing Canadian Bond Fund, Series A	$ 188,069	$ 164,643	$ 177,739	$ 155,255
Social Housing Canadian Equity Fund, Series A	203,055	277,294	201,133	223,155
Social Housing Short-term Bond Series A	369,039	342,859	358,634	330,141
Manulife Bank Investment savings account	82,241	82,241	77,203	77,203
	$ 842,404	$ 867,037	$ 814,709	$ 785,754

4. Capital assets:

	Cost	Accumulated amortization	2024 Net book value	2023 Net book value
Land	$ 350,620	$ 253,514	$ 97,106	$ 107,553
Building	494,516	389,800	104,716	-
Office equipment	243,404	242,624	780	4,020
Computer hardware and software	414,250	405,797	8,453	9,592
Furniture and fixtures	429,918	417,948	11,970	49,391
Leasehold improvements	2,552,688	1,429,245	1,123,443	1,233,315
	$ 4,485,396	$ 3,138,928	$ 1,346,468	$ 1,403,871

5. Mortgage payable:

	2024	2023
Peoples Trust Company social housing loan, bearing interest at 2.150%, payable in monthly blended installments of $1,984, due September 1, 2025	$ 35,114	$ 57,906
Less current portion	(23,284)	(22,792)
	$ 11,830	$ 35,114

In the current year, the Entity incurred $1,017 (2023 - $1,499) in interest expense relating to this mortgage.

The future minimum principal repayments are as follows:

2024	$ 23,284
2025	11,830
	$ 35,114

6. Deferred contributions:

(a) Expenses of future periods:

Deferred contributions related to expenses of future periods represent unspent externally restricted grants.

	Capital reserve					2024	2023
	Ministry funded	Entity funded	Research and grants	Other	Donations	Total	Total
Balance, beginning of year	$ 77,203	$ 58,122	$ 413,746	$ 19,793	$ 56,157	$ 625,021	$ 528,117
Amounts received related to future years	4,055	10,476	606,681	-	433,543	1,054,755	985,058
Amounts recognized as revenue	-	-	(637,024)	(19,793)	(350,054)	(1,006,871)	(888,154)
	$ 81,258	$ 68,598	$ 383,403	$ -	$ 139,646	$ 672,905	$ 625,021

(b) Capital campaign:

The Entity has a capital campaign to purchase assets and furnish its administrative and program-delivery spaces in a new building. Donations designated as such are recorded as capital campaign deferred contributions until assets are purchased with those funds, whereupon an amount equal to the assets purchased is transferred to capital assets deferred contributions. The following table presents the changes in capital campaign deferred contributions:

	2024	2023
Balance, beginning of year	$ 182,564	$ 270,241
Amounts received related to future periods	-	2,500
Amounts utilized towards deferred capital assets and specified campaign expenses	(33,507)	(90,177)
Balance, end of year	$ 149,057	$ 182,564

7. Endowment and internally restricted net assets:

Net assets restricted for endowment purposes are subject to externally imposed restrictions, which stipulate that the principal be maintained intact. Interest earned on the principal is to be considered part of the principal until the principal reaches $10,000.

Net assets restricted for specific functional purposes are subject to FIFE House Policies and Board of Directors' direction before any encroachment on their principal.

8. Revenue:

(a) Core grants:

	2024	2023
Ministry of Health:		
Ontario Health Toronto	$ 3,826,297	$ 3,510,630
AIDS Bureau - Community Based AIDS Education and Support	199,500	86,890
AIDS Bureau - AIDS Bereavement and Resiliency Project of Ontario	446,344	425,044
AIDS Bureau - Ontario Harm Reduction Network	-	391,210
Provincial Programs Branch - Ontario Non-Profit Housing Program	396,798	396,841
City of Toronto:		
Housing Support Service Projects	-	112,500
Sorauren	35,244	-
HASS Linkage to Care	374,596	-
Public Health Agency of Canada	-	317,265
LOFT Community Services	26,519	71,842
Habitat Services	203,209	227,503
St. Clare's Multifaith - Homes for Good	57,862	57,861
Ontario HIV Treatment Network	-	25,000
Toronto Urban Health Fund - Linkage to Care and MAP	50,111	-
United Way	75,000	-
	$ 5,691,480	$ 5,622,586

8. Revenue (continued):

(b) Other income:

	2024	2023
Rental income	$ 331,441	$ 341,889
Amortization of deferred contributions related to capital assets	281,426	283,725
Miscellaneous	224,734	346,244
Unrealized (gain) loss on short-term investments	53,589	(36,340)
Investment income	17,652	15,131
Corporate foundations	-	14,000
	$ 908,842	$ 964,649

(c) One-time grants:

	2024	2023
Ministry of Health:		
Ontario Health Toronto:		
Seaton House Supportive Housing Program	$ 110,731	$ 115,756
Huntley Street Transitional Housing Program	-	32,223
Canadian Red Cross	34,689	-
	$ 145,420	$ 147,979

9. Commitments:

The Entity leases its premises under an operating lease which expires March 31, 2025 and certain office equipment under various operating leases with expiry dates up to August 31, 2025. Minimum future lease payments are as follows:

2025	$ 126,932
2026	719
	$ 127,651

10. Financial risks and concentrations of credit risk:

(a) Industry risk:

The Entity's operations are derived from core grants, development, one-time grants and other income and are affected by general economic trends. A decline in economic conditions could impact the Entity's operations negatively. In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. During the year, the Entity received nil (2023 - $238,591) in government assistance related to the pandemic.

(b) Liquidity risk:

Liquidity risk is the risk that the Entity will encounter difficulty in meeting obligations associated with financial liabilities. The Entity is exposed to this risk mainly in respect of its mortgage payable. However, this risk is reduced because of the short-term investments held.

The Entity believes it is not exposed to significant liquidity risk as all investments are held in instruments that are highly liquid and can be disposed of to settle commitments. Further details about the short-term investments are included in note 3.

The Entity manages its investment portfolio to earn investment income and invests according to a Statement of Investment Policy approved by The Board of Directors. The Entity is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.

10. Financial risks and concentrations of credit risk (continued):

(c) Market price risk:

Market price risk is the risk that the value of an instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to an individual investment, its issuer or all factors affecting all instruments traded in the market. As all of the Entity's short-term investments are carried at fair value with fair value changes recognized in the statement of operations, all changes in market conditions will directly result in an increase (decrease) in the excess (deficiency) of revenue over expenses.

(d) Foreign currency risk:

Foreign currency risk is the risk that the value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Entity primarily invests in short-term investments and enters into transactions denominated in various foreign currencies, other than its measurement currency. The Entity is exposed to risks that the exchange rate of the various currencies may change in a manner that has an adverse affect on the value of the portion of the Entity's assets or liabilities denominated in currencies other than the Canadian dollar. Foreign currency risk is managed through construction of a diversified portfolio of short-term investments in various currencies.

(e) Credit risk:

Credit risk is the risk that an issuer or counterparty will be unable or unwilling to meet a commitment that it has entered into with the Entity.

The Entity's credit risk concentration is spread amongst listed equity securities as discussed under market price risk above. All transactions in listed securities are settled/paid for upon delivery using approved brokers. The risk of default is considered minimal since delivery of securities sold is made only once the broker has received payment. On a purchase, payment is made once the securities have been received by the broker.

(f) Interest rate risk:

The Entity is exposed to interest rate risk on its fixed interest rate financial instruments. The value of fixed income funds will generally rise if interest rates rise and decrease if interest rates fall. Changes in interest may also affect the value of equity securities. The interest rate risk exposure is managed through the Board of Directors approved policy of allocation of investable assets.

Further details about the mortgage payable are included in note 5.

11. Economic dependence:

The Entity is dependent on funding from the Ministry of Health to meet its obligations and to finance its continued operations.

12. Comparative information:

Certain 2023 comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.
